WASHINGTON, DC 20510

May 10, 2025

The Honorable Susan Collins  
Chair  
Senate Committee on Appropriations  
United States Senate  
S-128, The Capitol  
Washington, D.C. 20510

The Honorable Patty Murray  
Vice Chair  
Senate Committee on Appropriations  
United States Senate  
S-128, The Capitol  
Washington, D.C. 20510

The Honorable Jerry Moran  
Chair  
Subcommittee  
Washington, D.C. 20510

The Honorable Chris Van Hollen  
Ranking Member  
Subcommittee  
Washington, D.C. 20510

Dear Chair Collins, Vice Chair Murray, Chair Moran, and Ranking Member Van Hollen:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 Commerce, Justice, Science and Related Agencies bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. Additionally, none of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Jeanne Shaheen  
United States Senator

**Shaheen, Jeanne(D-NH) Commerce, Justice and Science  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
County of Merrimack	Merrimack County is requesting funding for the purchase and replacement of fifteen servers that hold confidential information for the Merrimack County Attorney's Office, the Child Advocacy Center and the Probation and Pre-trial Office.	Boscawen NH	\$125
Northern Border Dispatch	Northern Borders Dispatch (NBD) will use the funds to install a Police and Fire/EMS repeater on the new cellphone tower that is being installed on Hall Stream Road in Pittsburg, NH. NBD is looking to improve communication for all first responders and improve border security.	Colebrook NH	\$225
New Hampshire Fish and Game Department/Great Bay National Estuarine Research Reserve	The project will support coastal and estuarine research, monitoring, and science translation. The project will consist of modifying existing structures and adding a small new building to add a collaboration space for programs and office space for staff and visiting scientists.	Concord NH	\$5,000
The Nature Conservancy	This proposal seeks to enhance the flood resiliency of New Hampshire's transportation infrastructure by funding the planning and preliminary designs of six culvert replacement projects on town-owned roads	Concord NH	\$956
603 Legal Aid	603 Legal Aid (603LA) will use CDS funds to hire a Project Coordinator, a staff attorney, and deliver additional civil legal services to Sullivan and Grafton Counties.	Concord NH	\$295
City of Concord	The Concord Police Department seeks grant funding to replace its current Computer Aided Dispatch and Records Management System (CAD/RMS). Grant funding will be used to purchase a modern integrated CAD/RMS software system and hardware upgrades to optimize system performance.	Concord NH	\$1,000
New Hampshire Department of Safety	The New Hampshire Division of State Police is currently using Conducted Energy Weapons that have exceeded their five-year useful life. CDS funds will be utilized to replace the Division's current 350 Conducted Energy Weapons and provide necessary product training.	Concord NH	\$2,257
Derry Police Department	The Towns of Derry, Londonderry and Windham are seeking funding in order to replace existing records management software/computer aided dispatch with new more effective technology and equipment that will assist in investigating, responding to and preventing crime.	Derry NH	\$1,750
University of New Hampshire	Funding will expand UNH's capacity to analyze and respond to the state's PFAS issues in partnership with municipalities, state agencies, agriculture and private industry. CDS funds will enable UNH to lead the development of solutions while also training the next generation of science professionals.	Durham NH	\$890
University of New Hampshire	This funding would support the UNH Space Tech Hub, a first-of-its-kind organization in northern New England that bridges the gap between academic expertise and the growing commercial aerospace industry. Requested funding will expand the Hub's testing capacity and capability.	Durham NH	\$2,500
Southeast Land Trust of New Hampshire	CDS funds will be used to supplement existing funds to acquire a permanent conservation easement on 44.3 acres of the Langley property on Durham Point. This property includes critical habitat along the tidal Oyster River and Little Bay, part of the Great Bay estuary.	Epping NH	\$1,132

Epping, Rockingham County, Southeast Land Trust of New Hampshire, Land Conservation Department	CDS funds will be used to acquire a permanent conservation easement on 90-acres of critical habitat along one mile of the tidal Squamscott River.	Epping NH	\$2,100
Rockingham Planning Commission	Funding supports capacity and technical resources for estuarine habitat monitoring, community-based restoration, land conservation and regional planning efforts.	Exeter NH	\$1,800
Town of Guilford	The Gilford Police Department is currently using a nearly 30-year-old software system (IMC) for CAD/RMS). They seek CDS funding to purchase replacement software as this will allow them to retain all of their current records through a data conversion/migration.	Gilford NH	\$273
Hampton Police Department	The CDS funds will be used to implement a robust program that rolls out body worn cameras, cruiser mounted cameras, upgraded less-lethal electronic control weapons and holsters that will activate camera systems in the area once un-holstered along with tracking software, and a law enforcement positio	Hampton NH	\$925
Town of Hanover	Hanover seeks funding to upgrade and connect its radio consoles to the State of NH Radio System and SmartConnect technology, as well as upgrade several existing portable radios to allow for access to new SmartConnect technology.	Hanover NH	\$835
Hillsborough Police Department	Funds would be used to update the regional dispatch center's radio infrastructure. The dispatch center is currently utilized by the towns of Hillsboro, Antrim, Bennington, Deering and Washington.	Hillsborough NH	\$950
Coos County Administration	The Sherriff's Department will use this funding to install mobile data terminals and cameras in cruisers and software compatible with the NH state network. The request also permits the purchase of six new mobile radios to sync with Federal and state law enforcement partners.	Lancaster NH	\$175
Town of Littleton	CDS funding will be utilized by the Littleton Police Department to add a non-sworn Social Worker/Community Support Counselor to staff. This is a civilian position that provides crisis intervention, short-term counseling, advocacy, community outreach and education, and other social services.	Littleton NH	\$719
Manchester Police Department	This request will replace the Manchester Police Department's radios and related equipment. This project will provide modern communications equipment for the City's law enforcement enhancing interoperable communications capabilities needed for efficient and effective emergency response.	Manchester NH	\$1,000
Town of Milford	The Towns of Milford, Amherst, and Hollis are seeking funding in order to replace their existing records management/computer aided dispatch software with new, more effective technology and equipment. This will increase interoperable communications for 9towns that make up three dispatch centers.	Milford NH	\$1,654
Town of Milton	The town of Milton is requesting CDS funding to replace mobile radios last purchased in 2012. Funding would be used to acquire all necessary equipment to transition radios and allow town employees to effectively communicate.	Milton NH	\$161
Town of Mont Vernon	Funds will be used to purchase updated radio equipment, including a tower, base station, repeaters and cruiser radios to replace existing radios aged at 20 years, as well as purchasing two portable radios for Emergency Operations Center use.	Mont Vernon NH	\$127
Nashua Police Department	The Nashua Police Department will use CDS funds to purchase a de-escalation training simulation system.	Nashua NH	\$85

Town of New Boston	The town of New Boston needs funding to purchase a unified and updated public safety and emergency services LMR infrastructure that serves all impacted departments and safety personnel.	New Boston NH	\$311
Town of New Durham	The Town of New Durham Police Department requests CDS funding to acquire new radio equipment in order to replace its current outdated 20-year-old radio infrastructure.	New Durham NH	\$194
Newmarket Police Department	The Newmarket Police Department is seeking to upgrade its Communications Center dispatch solution and Land Mobile Radio (LMR) system. The project will replace two unsupported units with a new platform, in addition to upgrading the control stations and repeater operation.	Newmarket NH	\$353
Newport Police Department	This project would provide funding to replace the Newport Police Department and Newport Emergency Communications Center's outdated dispatch and records management software. The software would allow greater inter-agency cooperation by sharing information with other large regional dispatch centers,	Newport NH	\$132
Plaistow Police Department	The CDS Funds will be used to upgrade the Plaistow Regional Communication infrastructure with a reliable emergency communication network in phase II. The current system is obsolete and has unrepairable components.	Plaistow NH	\$1,000
City of Portsmouth	CDS funds will be used to upgrade hardware, software and other critical assets for the New Hampshire Internet Crimes Against Children (ICAC) Task Force and the ICAC Child Online Protection System (ICACCOPS).	Portsmouth NH	\$1,000
Children's Law Center of New Hampshire	The Children's Law Center of New Hampshire (CLC-NH) will use CDS funds to pay the salary and health benefits of a Master of Social Work.	Portsmouth NH	\$92
Seacoast Science Center	The Seacoast Science Center will create new public exhibits and support programming as part of a larger renovation and expansion to advance NOAA's Principles of Ocean and Climate Literacy and highlight the natural history of the Gulf of Maine and coastal NH as well as various conservation measures.	Rye NH	\$3,500
Somersworth Police Department	Purchase of 30 replacement portable radio systems for the Somersworth Police Department.	Somersworth NH	\$123
