

United States Senate

WASHINGTON, DC 20510

April 7, 2026

The Honorable Susan Collins
Chair
Senate Committee on Appropriations
United States Senate
S-128, The Capitol
Washington, D.C. 20510

The Honorable Patty Murray
Vice Chair
Senate Committee on Appropriations
United States Senate
S-128, The Capitol
Washington, D.C. 20510

The Honorable John Hoeven
Chair
Senate Appropriations Subcommittee
on Agriculture, Rural Development,
Food and Drug Administration and
Related Agencies
Washington, DC 20510

Dear Chair Collins, Vice Chair Murray, and Chair Hoeven:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Agriculture, Rural Development, Food and Drug Administration and Related Agencies Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. Additionally, none of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Jeanne Shaheen
United States Senator

**Shaheen, Jeanne(D-NH) Agriculture
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Town of Alton	Funds will contribute to the Town of Alton's fire station's renovation, including necessary building infrastructure upgrades.	Alton NH	\$1,300
White Horse Addiction Center Inc.	Funds will be used to purchase and rebuild a building in Berlin to be used as a recovery residence for men in early recovery from substance use disorder.	Berlin NH	\$250
Berlin & Coos County Historical Society	The Berlin & Coos County Historical Society will use CDS funds to install a 42-kilowatt ground-mounted solar array at its Brown Company Barns property.	Berlin NH	\$82
Shaker Regional School District	Shaker Regional School District will use funds to modernize critical infrastructure systems at Canterbury Elementary School, an essential public facility serving a rural community of approximately 2,400 residents.	Canterbury NH	\$909
Town of Dalton	CDS funds will be used to replace the Town of Dalton's 1986 fire tanker with a new 3,000-gallon pumper/tanker truck equipped with an onboard pump and automatic transmission.	Dalton NH	\$416
New Hampshire Public Radio, Inc.	Funding will enable NHPR to expand its broadcast reach in the Seacoast region, bringing critical emergency alert access to an additional 155,000 people through acquisition and upgrade of an existing signal and transmission site.	Durham NH	\$124
Farmington School District	Funds will be utilized to replace old and outdated windows at Henry Wilson Memorial School to cut down on heating costs and provide a safer environment for students.	Farmington NH	\$1,500
Bethlehem School District	Funds will be used to modernize the heating, cooling and ventilation systems at Bethlehem Elementary School to meet current energy efficiency and building code standards.	Franconia NH	\$1,500
Town of Groton	Funds will be used towards the purchase of a regional EMS Building, including renovations and site work that are needed.	Grafton County NH	\$250
Town of Groton	The Town of Groton would use funds for the purchase of a new plow truck with sander for the Town's Highway Department.	Groton NH	\$32
University of New Hampshire	Funds will be used to build a small modern research facility to develop a local, community-driven research and engagement program that improves protected agricultural production and sustainable soil management, in addition to hosting educational trainings to grow engagement with agricultural science	Haverhill NH	\$938
Town of Hinsdale	Funds will be used by the Town of Hinsdale to support the construction of a modern fire station to meet the town's long-term operational and life safety needs.	Hinsdale NH	\$1,300
Town of Lancaster	The Town of Lancaster will use funds to purchase a 6-person, enclosed, utility side-by-side vehicle used for all-weather rescue and medical transport, a compact utility tractor to be used for sidewalk plowing, sweeping and sanding and a heavy-duty utility truck for daily transportation and hauling.	Lancaster NH	\$152
Town of Lee	CDS funds will be used to renovate and re-open the historic Lee Town Hall as a community center and public meeting area. This project would bring the building back to useful life as a community center that would serve the Town of Lee and surrounding communities.	Lee NH	\$900
Town of Littleton	CDS funds will be used to design and construct an addition to the Littleton Fire Station to expand apparatus bay capacity, improve firefighter health and safety and support modern fire and EMS operations.	Littleton NH	\$750

Town of Madison, NH	Funds will be used to construct a new road salt storage shed for the town's Department of Public Works. The road salt shed is required by the State of NH to prevent environmental contamination by ensuring salt does not leach into groundwater or nearby streams.	Madison NH	\$300
Town of Northumberland	The Town of Northumberland will use CDS funds to purchase a new fire engine to replace the current one that is over 25 years old and beyond its useful life.	Northumberland NH	\$637
Monadnock Community Hospital	Monadnock Community Hospital is requesting funds to replace the obsolete AHU-2 air handling unit serving the surgical suites in its 1990 building wing. Justification: Monadnock Community Hospital (MCH), a 25-bed Critical Access	Peterborough NH	\$825
Speare Memorial Hospital	Funding will be used to purchase and install two new chillers, essential components of Speare Memorial Hospital's climate-control infrastructure, to replace the current system, which has reached the end of its operational life.	Plymouth NH	\$598
Town of Sandown	Sandown Fire-Rescue will use funding to implement a comprehensive cancer-prevention program that includes installing a vehicle exhaust removal system at its fire station.	Sandown NH	\$55
Town of Troy	CDS funds will be used to repair the Town of Troy's town hall and improve aspects of its steeple.	Troy NH	\$150
Town of Wentworth	Funds will support construction of a new fire and emergency management operations office space for the Wentworth Volunteer Fire Department.	Wentworth NH	\$1,300
Town of Westmoreland	CDS funds will complete critical renovations at the historic Westmoreland Town Hall, including installation of an ADA-compliant lift and accessible restroom, a code-compliant kitchen, upgraded stage lighting and a high-speed Wi-Fi hub.	Westmoreland NH	\$329
Huggins Hospital	Funds will be used to procure and install critical Sterile Processing Department equipment that needs replacement and an Uninterruptible Power Supply system to protect against power-related equipment damage.	Wolfeboro NH	\$601
Cottage Hospital	Cottage Hospital will use funds to modernize the Operating Room Suite in order to meet current infection prevention protocols and equipment requirements.	Woodsville NH	\$1,574
