Washington, D.C. 20510

The Honorable Tammy Baldwin  
Ranking Member  
Appropriations Subcommittee on Labor,  
Health and Human Services, Education  
and Related Agencies  
United States Senate  
Washington, D.C. 20510

Dear Chair Collins, Vice Chair Murray, Chair Capito, and Ranking Member Baldwin:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Labor, Health and Human Services, Education, and Related Agencies bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. Additionally, none of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Jeanne Shaheen  
United States Senator

**Shaheen, Jeanne(D-NH) Labor, Health and Human Services, and Education  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Town of Alstead	Alstead will replace two high-mileage ambulances and deploy four climate-controlled medic vehicles, ending the current reliance on personal vehicles.	Alstead NH	\$2,713
White Mountain Science Inc.	CDS funds will be used to expand White Mountain Science Inc.'s mobile STEM lab programming into Carroll and Belknap counties.	Carroll & Belknap Counties NH	\$75
Betty C. Ketchum Foundation d/b/a Mount Washington Valley Adult Day Center	CDS funds will be used to support the purchase of three electric SUVs to provide safe, reliable transportation for older adults living with dementia, and individuals with chronic health care issues, in rural northern NH.	Center Conway NH	\$150
Betty C. Ketchum Foundation	Funds will expand nutrition programming and enhance food quality to deliver medically appropriate, nutrient-dense meals that improve health outcomes, support cognitive functioning and enable sustained aging in place.	Center Conway NH	\$175
Valley Regional Hospital	Funds will replace four anesthesia machines with updated anesthesia delivery systems and integrated monitoring platforms.	Claremont NH	\$400
New Hampshire College and University Council (NHCUC)	Funds will establish a statewide College-to-Career Internship Pipeline to expand paid, high-quality internships connecting NH students with in-state employers.	Concord NH	\$145
Community Action Program Belknap Merrimack, Inc.	Funds will purchase a new food distribution truck and other equipment to support the Community Supplemental Food Program administered by Community Action Program Belknap-Merrimack Counties.	Concord NH	\$227
NAMI New Hampshire	NAMI NH will use funds to raise awareness about substance misuse leading to suicide risk in older adults through community education and prevention.	Concord NH	\$216
New Hampshire Children's Trust, Inc	NH Children's Trust will use funds to strengthen statewide infrastructure for preventing child abuse and neglect.	Concord NH	\$250
Special Needs Support Center	Funds will support a defined 12-month implementation of Lebanon, New Hampshire's adopted ADA Transition Plan through a partnership between the Special Needs Support Center of the Upper Valley and the City of Lebanon.	Concord NH	\$500
Strafford County	Funds will remove and replace the aging windows at Riverside Rest Home with modern, energy-efficient units designed to improve insulation, reduce air infiltration and enhance indoor air quality for older adult residents.	Dover NH	\$664
Wentworth Douglass Hospital	Wentworth-Douglass Hospital is seeking CDS funding to add 25 inpatient beds to the third floor of the hospital.	Dover NH	\$2,000
Behavioral Health and Developmental Services of Strafford County, Inc	Funds will be used to purchase three new wheelchair-accessible vans to be used in programming transportation for clients with disabilities.	Dover NH	\$210
University of New Hampshire	Funding will renovate Putnam Hall on the UNH campus to create a permanent and fully accessible facility that will house the Center for Adaptive Activity and Well-Being and its component UNH entities.	Durham NH	\$2,000
University of New Hampshire	Funds will deliver statewide biotechnology education through the expansion of CREATES programming and continuation of the UNH STEM-MoBILE.	Durham NH	\$1,206

Seacoast Youth Services	Funds will expand an Alternative to Suspension Program and increase capacity to serve students with mental health concerns before they reach the point of suspension.	Exeter NH	\$85
HealthFirst Family Care Center, Inc	Funds will expand HealthFirst Family Care Center's health campus by completing a 5,500 sq. ft. addition to the existing facility.	Franklin NH	\$2,000
Coos County Family Health Services	Funds will renovate a federally qualified health center building to better serve patients in Northern NH.	Gorham NH	\$500
Seven Hills New Hampshire	Funds will be used to repair and restore the Crotched Mountain School & Village therapy pool, a critical regional resource serving individuals with physical and developmental disabilities across NH for aquatic therapy, mobility, and rehabilitation.	Greenfield NH	\$500
Cheshire Medical Center	Funds will construct a fixed MRI machine to replace a part-time mobile MRI unit and increase capacity for high demand MRI services.	Keene NH	\$2,000
Southwestern NH District Fire Mutual Aid	Funds will be used to purchase and install digital mobile radios and digital portable radios that will replace existing obsolete units.	Keene NH	\$2,000
Monadnock Community Service Center	Monadnock Community Service Center will replace 210, thirty-five-year-old windows at its 40 Avon Street facility in Keene, where Monadnock Family Services serves most of its clients.	Keene NH	\$2,000
Evergreen Start	Funds will be used to provide compliance and operational support, enhance the child care workforce and assess expansion opportunities in Northern NH.	Lancaster NH	\$500
Families Flourish Northeast	Funds will be used to implement a Maternal and Early Childhood Workforce Development Initiative to increase capacity to serve pregnant and postpartum women in recovery.	Lebanon NH	\$850
Alice Peck Day Memorial Hospital	CDS funds will be used to expand Upper Valley Smiles, a free, school-based dental care program to elementary students across NH.	Lebanon NH	\$450
Alice Peck Day Memorial Hospital	CDS funds will be used to implement facility improvements that would expand access to care, reduce avoidable healthcare costs and improve outcomes for people with disabilities.	Lebanon NH	\$2,000
North Country Health Consortium	Funds will expand the Points North Learning Hub, a North Country Health Consortium initiative addressing critical shortages of both clinical and nonclinical health care and human services personnel across rural northern NH and statewide.	Littleton NH	\$250
Stepping Stones Pediatric Therapy, Inc.	Funds will purchase advanced equipment, such as specialized therapy devices and assistive technology, to expand Stepping Stones Pediatric Therapy's capacity to serve children and young adults with major neurological disabilities in southern NH.	Londonderry NH	\$443
Friends of Aine	Funds will support Friends of Aine in scaling its evidence-based, peer-to-peer grief support program into schools across all ten New Hampshire counties, training school personnel to deliver trauma-informed care in their own communities.	Manchester NH	\$200
Saint Anselm College New Hampshire Institute of Politics	The NH Institute of Politics will use CDS funding to modernize and expand NH's civic engagement infrastructure through targeted technology upgrades, expanded hybrid and digital access and enhanced research capacity.	Manchester NH	\$475
The Granite YMCA	Funds will support improvements to current learning spaces and the creation of a flexible Learning Lab, thereby increasing enrollment capacity.	Manchester NH	\$500

SEE Science Center, Inc.	Funds will replace several traditional science exhibits with an exhibit area focused on real world applications, exposure to career pathways and emerging tech.	Manchester NH	\$200
New Hampshire School Principals Foundation	Funds will support participants of the Principal Licensure Program by covering costs beyond tuition, enabling professional development in collaboration with New England College, and providing each participant with 1:1 mentorship.	Manchester NH	\$304
Amoskeag Health	Funds will be used to renovate Amoskeag Health's Manchester Elm Street clinic.	Manchester NH	\$1,000
Elliot Hospital of the City of Manchester	Elliot Hospital will use funds to expand heart and vascular care by implementing a new Cath Lab procedure suite.	Manchester NH	\$1,500
The Mental Health Center of Greater Manchester Inc.	Funds will be used to modernize an acute care and crisis stabilization facility by replacing an aging HVAC system, a failing roof, upgrading windows and doors and rehabilitating the parking lot to ensure ADA and safe emergency access.	Manchester NH	\$2,000
Building Community in New Hampshire	Funds will develop, pilot and launch Building Community in New Hampshire's New-American Job Exchange, a multilingual, mobile-first job board designed specifically for refugees, immigrants and employers.	Manchester NH	\$855
Dartmouth Cancer Center	CDS funds would add an additional linear accelerator to complement the existing machine and to expand access to timely radiation therapy treatments at the Dartmouth Cancer Center.	Manchester NH	\$3,000
Milan & Dummer Ambulance	The Milan & Dummer Ambulance Service will modernize its emergency response capabilities by replacing a 15-year-old ambulance. This investment also covers the complete overhaul of aging communication infrastructure, including new radios and pagers.	Milan NH	\$344
St. Joseph Hospital	Funding will replace aging diagnostic imaging equipment, including mammography units, x-ray equipment and a Magnetic Resonance Imaging (MRI) scanner.	Nashua NH	\$1,211
St. Joseph Hospital of Nashua, N.H.	Funds will reconfigure existing space to satisfy clinical and learning square footage requirements within the St. Joseph Hospital campus to create a Graduate Medical Education program focused on Internal Medicine.	Nashua NH	\$1,800
Community Council of Nashua, NH Inc.	CDS funds will be used in the development of a facility that consolidates Greater Nashua Mental Health's Certified Community Behavioral Health Clinic services into one integrated location.	Nashua NH	\$2,000
Lamprey Health Care	Funds will be used to modernize patient communication systems, clinical technology and secure facility access infrastructure across community center sites.	Newmarket NH	\$800
New London Hospital	This project will replace an aging, end-of-life X-ray system and install a new bone density scanner at a rural health clinic.	Newport NH	\$460
Memorial Hospital	CDS funding will support comprehensive infrastructure upgrades to expand critical services including behavioral health, dental care and primary care capacity.	North Conway NH	\$2,000
Gibson Center for Senior Services	To continue its rural public transportation program for older adults, the Gibson Center will use CDS funding to purchase new passenger buses.	North Conway NH	\$122
New Hampshire Learning Initiative	Funds will create a coordinated, scalable K-12 approach to competency-based math through a statewide Math Teaching and Learning Lab Network.	North Hampton NH	\$250
Reality Check, Inc	Monadnock Community Hospital will stabilize an actively moving slope and reinforce the structural foundations of a bridge-way corridor connecting the main hospital building to the Bond Wellness Center.	Peterborough NH	\$1,360

Speare Memorial Hospital	Speare Memorial Hospital will purchase and install a computed tomography (CT) imaging system, as well as the expense to rent a mobile CT to ensure continuity of patient care during the process.	Plymouth NH	\$941
Hope on Haven Hill	Funds will renovate Hope on Haven Hill's residential program to ensure a safe, functional and welcoming environment for residents.	Rochester NH	\$400
Greater Seacoast Community Health	Funds will help build a 10,000-square-foot community health center in Sanbornville, NH, a medically underserved rural area in Southern Carroll County.	Somersworth NH	\$2,000
Strafford County	Funds will construct and furnish Strafford County's first dedicated emergency winter warming center to provide life-saving shelter for up to 80 individuals.	Strafford County NH	\$2,000
Big Brothers Big Sisters of New Hampshire and Vermont	Funds will modernize mentoring infrastructure and expand mentoring in Cheshire, Hillsborough and Sullivan Counties to reduce youth waitlists and connect more young people with trained mentors who help build academic engagement, workforce readiness and social capital.	Stratham NH	\$304
Coos County, NH	The County Skilled Nursing and Rehabilitation Facility will invest funds in upgrades to the HVAC system and the walk-in freezer to improve resident quality of life and safety.	West Stewartstown NH	\$1,000
North Country Healthcare	Funds will expand North Country Healthcare's workforce efforts to include a grow-your-own nursing workforce education, advancement and retention initiative.	Whitefield NH	\$488
The Home for Little Wanderers	Funds will be used to modernize a facility for the care of NH DCYF youth who have experienced abuse, neglect or significant mental health disorders.	Windsor NH	\$800
Cottage Hospital	Cottage Hospital plans to renovate its existing HVAC System within the OR and Day Surgery departments.	Woodsville NH	\$2,945

## United States Senate

WASHINGTON, DC 20510

May 28, 2026

The Honorable Shelley Moore Capito  
Chair  
Senate Committee on Appropriations  
Subcommittee on Labor, Health and Human  
Services and Education  
Washington, D.C. 20510

The Honorable Tammy Baldwin  
Ranking Member  
Senate Committee on Appropriations  
Subcommittee on Labor, Health and Human  
Services and Education  
Washington, D.C. 20510

Dear Chair Capito and Ranking Member Baldwin:

The purpose of this letter is to request a technical change in the project purpose for a Fiscal Year 2027 Congressionally Directed Spending item I previously submitted for consideration in the Senate Labor, Health and Human Services, Education, and Related Agencies appropriations bill, listed below. I certify that neither I nor my immediate family has a pecuniary interest in any of the Congressionally Directed Spending items that I have requested, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. I certify that the entity for which I have requested Congressionally Directed Spending is not a for-profit entity. The reason for this necessary change is to ensure that the project purpose best aligns with the current scope of the project.

**Account:** HRSA-Wide Activities & Program Support/ Program Management/ CDS Only

**Project:** Carroll County Comprehensive Health Center Development

**Recipient:** Greater Seacoast Community Health

**Project Purpose as originally requested in Legi-Mate:** Funds will help build a 10,000-square-foot community health center in Sanbornville, NH, a medically underserved rural area in Southern Carroll County.

**Updated Requested Project Purpose:** Funds will be used to establish a community health center to serve a medically underserved rural population.

Sincerely,

United States Senator

Services, Education and Related Agencies  
Washington, D.C. 20510

The Honorable Tammy Baldwin  
Ranking Member  
Senate Committee on Appropriations  
Subcommittee on Labor, Health and Human  
Services, Education and Related Agencies  
Washington, D.C. 20510

Dear Chair Capito and Ranking Member Baldwin:

The purpose of this letter is to request a recipient change for a Fiscal Year 2027 Congressionally Directed Spending item I previously submitted for consideration in the Senate Labor, Health and Human Services, Education, and Related Agencies appropriations bill, listed below. I certify that neither I nor my immediate family has a pecuniary interest in any of the Congressionally Directed Spending items that I have requested, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. I certify that the entity for which I have requested Congressionally Directed Spending is not a for-profit entity. The reason for this necessary change is the project funding was requested by Monadnock Community Hospital.

**Account:** Labor, Health and Human Services, Education, and Related Agencies

**Project:** Monadnock Community Hospital Wellness Center Connector Corridor Slope Stabilization Project

**Recipient:** Reality Check, Inc

**Project Purpose as originally requested in Legi-Mate:** Monadnock Community Hospital will stabilize an actively moving slope and reinforce the structural foundations of a bridge-way corridor connecting the main hospital building to the Bond Wellness Center.

**Request for recipient change:** Change recipient to Monadnock Community Hospital.

Sincerely,

United States Senator
