

# United States Senate

WASHINGTON, DC 20510

April 20, 2026

The Honorable Susan Collins  
Chair  
Senate Committee on Appropriations  
United States Senate  
S-128, The Capitol  
Washington, D.C. 20510

The Honorable Patty Murray  
Vice Chair  
Senate Committee on Appropriations  
United States Senate  
S-128, The Capitol  
Washington, D.C. 20510

The Honorable Cindy Hyde-Smith  
Chair  
Subcommittee on Transportation, Housing  
and Urban Development and Related  
Agencies  
Washington, D.C. 20510

The Honorable Kirsten Gillibrand  
Ranking Member  
Subcommittee on Transportation, Housing  
and Urban Development and Related  
Agencies  
Washington, D.C. 20510

Dear Chair Collins, Vice Chair Murray, and Chair Hyde-Smith, and Ranking Member Gillibrand:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Transportation, Housing and Urban Development and Related Agencies bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. Additionally, none of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Jeanne Shaheen  
United States Senator

**Shaheen, Jeanne(D-NH) Transportation Housing and Urban Development  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Shaker Regional School District	CDS funds will support critical infrastructure improvements at Belmont's public schools, essential community facilities that serve Belmont's residents as centers for education, civic gatherings, youth programs and community events.	Belmont NH	\$562
The Center for Safer Communities	Funds will support the reconstruction and development of permanent, affordable housing units designed for survivors of domestic and sexual violence in Sullivan County. These funds will help create trauma-informed homes with rents affordable to households well below area median income.	Claremont NH	\$1,700
Community College System of New Hampshire	Funds will be used across the Community College system, including at three Academic Centers, for security upgrades, such as surveillance cameras and emergency alert systems, improving emergency coordination and response times.	Concord NH	\$3,881
Concord Area Trust Fund for Affordable Housing (CATCH) Neighborhood Housing	Funds will be used for predevelopment work to build affordable rental apartments in Concord to serve disabled individuals.	Concord NH	\$953
Capitol Center for the Arts	Funds will be used to construct a new, large elevator at the Capitol Center for the Arts, ensuring accessible access to all floors for patrons with physical limitations and assisting staff in transporting equipment and supplies.	Concord NH	\$800
Town of Conway	Funds will help offset the total costs associated with the renovation of the police department building, including a proposed addition.	Conway NH	\$2,000
City of Dover	Funds will implement a designed roundabout at the intersection of Dover Point Road and Pointe Place, improving traffic flow and access issues.	Dover NH	\$2,000
City of Dover	Funds will construct a public boat dock along the Cocheco River as part of the Cocheco Waterfront Redevelopment.	Dover NH	\$1,000
City of Dover	Funds will modernize the Horne Street roadway and implement Complete Streets improvements, including upgraded sidewalks, safer pedestrian crossings, and enhanced bicycle accommodations near an elementary school.	Dover NH	\$10,000
Avesta Housing Development Corporation	Funds will support critical capital improvements at an affordable family housing property, including siding and roofing, deck repairs, unit interior upgrades and site infrastructure improvements.	Exeter NH	\$750
Franklin School District	Funds will renovate portions of the historic Franklin High School, improving safety, accessibility and functionality for students, staff and the community.	Franklin NH	\$688
The Home Possible Project, Inc	Funds will support development of housing for adults with disabilities. This project will create a fully accessible, safe and stable home designed to promote long-term well-being.	Gilford NH	\$1,950
United Way of Greater Nashua	Funds will clear the mortgage on the United Way of Greater Nashua building and make upgrades to the building, transforming it into a vital community asset that supports economic empowerment through various programs and services for local residents.	Hillsborough County NH	\$225
Monadnock Affordable Housing Corporation	Funds will be used for a permanent affordable housing development that serves households earning at or below 60% of Area Median Income and ensure that residents pay no more than 30% of income.	Jaffrey NH	\$4,000

Laconia Housing and Redevelopment Authority	The requested funds will be used to convert a maintenance building into housing as well as on-site laundry facilities for tenants.	Laconia NH	\$138
City of Laconia - Laconia Police Department	Funds will build a climate-controlled storage facility to protect critical evidence, emergency response vehicles and police motorcycles from theft and harsh weather, ensuring timely resource deployment public safety in Laconia and Belknap County.	Laconia NH	\$1,382
City of Lebanon	CDS funds will support construction of a modern single-lane roundabout at the intersection of Main Street, Bridge Street, North Main Street and Dana Street in West Lebanon, NH.	Lebanon NH	\$2,500
Community College System of New Hampshire	Funds will be used to address an urgent need to replace the HVAC System at White Mountains Community College's Littleton Academic Campus.	Littleton NH	\$2,978
Theatre UP	Funds will help renovate the historic Masonic Temple in Littleton into a theatrical education and training facility, fostering educational, cultural and economic growth in the North Country.	Littleton NH	\$500
Family Promise of Southern New Hampshire	Family Promise of Southern New Hampshire will use funds for the adaptive redevelopment of housing units for families who are housing insecure.	Manchester NH	\$2,750
Manchester Housing and Redevelopment Authority	Funds will replace aging windows and doors at a public housing property containing 121 affordable, low-income units to enhance energy-efficiency and the comfort of the elderly and disabled residents.	Manchester NH	\$715
City of Manchester	Funds will modernize the airport's second-floor restrooms, which do not meet current accessibility standards.	Manchester NH	\$5,000
Families in Transition	Funds will be used to renovate and expand an emergency shelter in Manchester, adding more housing units and upgrading several features.	Manchester NH	\$5,000
Meals on Wheels of Hillsborough Country	Funds will be used for a central kitchen in Manchester, capable of preparing 1,200-1,500 meals daily for over 5,000 low-income older and disabled adults at home and across 18 community dining sites.	Manchester NH	\$1,085
City of Manchester	Funds will replace aging HVAC systems that serve the terminal.	Manchester NH	\$5,000
Manchester Housing and Redevelopment Authority	CDS funds will be used to build exterior mechanical rooms and move heating and domestic hot water equipment out of basements that experience flooding in a housing development that provides housing for low-income families.	Manchester NH	\$1,161
City of Manchester	Funds will replace the terminal building's failing roof membrane system. This replacement eliminates the need for repeated, ineffective spot repairs and provides a long-term solution that ensures the terminal remains safe, reliable and fully functional.	Manchester NH	\$5,000
City of Manchester - Department of Public Works, Parks, Recreation, and Cemetery Division	Funds will complete the reconstruction of the Hunt Memorial Pool and Bathhouse, replacing the demolished facility with a modern, safe and ADA-compliant public swimming complex.	Manchester NH	\$5,635
Manchester Housing and Redevelopment Authority	Funds will upgrade aging fully-occupied public housing buildings, including windows, doors, and hallway renovations.	Manchester NH	\$700
Harbor Care	Funds will be used for construction of affordable apartments to serve low-income households who are homeless or at risk of homelessness, including units specifically designated for veterans exiting homelessness, elderly and/or disabled and households in recovery.	Nashua NH	\$3,250

New Hampshire Department of Transportation	Funds will be used for pedestrian improvements, which include enhanced safety and traffic flow at intersections, expanded ADA-compliant sidewalks and the installation of a new traffic signal.	Nashua NH	\$2,400
SNHS Management Corporation	Funds will renovate an existing client resource center and transform it into an opportunity center, creating a space for clients to access services, utilize a business center and have a "one-stop-shop" for assistance.	Nashua NH	\$2,020
Gateways Community Services, Inc.	Funds will be used to redevelop a former group home into a 7,500-square-foot building with affordable one-bedroom apartments for adults with disabilities.	Nashua NH	\$1,000
City of Nashua	Funds will be used to rehabilitate the Water Street Bridge by repairing concrete piers, replacing bearings and anchor bolts, restoring expansion joints, and addressing structural issues.	Nashua NH	\$2,000
Nashua Regional Planning Commission	Funds will be used to install the final engineered landfill cap and gas management system component which is necessary to allow for the land to be redeveloped into housing with multiple public amenities.	Nashua NH	\$3,350
City of Portsmouth	Funds will construct two neighborhood connector trails by linking the Maple Haven and Mariette Drive neighborhoods to the NH Seacoast Greenway (NHSG).	Portsmouth NH	\$550
Pease Development Authority	Funds will restore failing pavement and improve stormwater infrastructure to modern standards. The pavements and stormwater infrastructure in these areas are original U.S. Air Force legacy materials dating back to 1956.	Portsmouth NH	\$1,000
Pease Development Authority - Division of Ports and Harbors	CDS fund will be used to purchase two telescopic handlers to aid in cargo handling at the Market Street Marine Terminal in Portsmouth, NH.	Portsmouth NH	\$260
Community College System of New Hampshire	Funds will create a permanent culinary teaching kitchen at Great Bay Community College and support the Culinary Arts and Sustainable Foodways program.	Portsmouth NH	\$906
Farmsteads of New England/One Sky Community Services	Funds will help secure finalization of the remaining three residential buildings (out of an eight-building master plan). Completing these units will provide safe supportive housing for more individuals with developmental disabilities.	Portsmouth NH	\$2,000
City of Portsmouth	Funds will construct a continuous sidewalk, shared-use side path and bicycle lanes along Peverly Hill Road. The project will also upgrade underground utilities and stormwater infrastructure to support long-term corridor safety and resilience.	Portsmouth NH	\$1,770
City of Rochester	Funds will be used to construct a pedestrian bridge across the Cocheco River as part of the River Walk Project being constructed throughout downtown Rochester. This bridge would complete the River Walk "loop" and create a walking path centered around the Downtown Business District.	Rochester NH	\$1,000
Newfields Sno-Raiders	The project will replace the deteriorated steel tunnel beneath Onway Lake Road on the Rockingham Rail Trail, improving safety for all users, ensuring reliable maintenance access and protecting the roadway above.	Rockingham County NH	\$700
City of Somersworth	Somersworth Public Library will use funds to renovate and expand its facility.	Somersworth NH	\$2,000
Victoria's Victory Foundation	Funds will sustain a private adaptive instructional driving program for one year, including certified instructor staffing, vehicle operation and maintenance, adaptive equipment and insurance costs.	Stratham NH	\$170
Town of Swanzy	Funds will be utilized for essential building improvements and to condition the building for the introduction of new programming.	Swanzy NH	\$400

Lebanon Housing  
Authority

Funds will be used to address critical modernization needs like replacing severely deteriorated siding and preserve safe, affordable homes for low-income working families.
