

United States Senate

WASHINGTON, DC 20510

April 9, 2026

The Honorable Susan Collins
Chair
Senate Committee on Appropriations
United States Senate
S-128, The Capitol
Washington, D.C. 20510

The Honorable Patty Murray
Vice Chair
Senate Committee on Appropriations
United States Senate
S-128, The Capitol
Washington, D.C. 20510

The Honorable Jerry Moran
Chair
Subcommittee on Commerce,
Justice, Science and Related
Agencies
Washington, D.C. 20510

The Honorable Chris Van Hollen
Ranking Member
Subcommittee on Commerce,
Justice, Science and Related
Agencies
Washington, D.C. 20510

Dear Chair Collins, Vice Chair Murray, Chair Moran, and Ranking Member Van Hollen:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Commerce, Justice, Science and Related Agencies bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. Additionally, none of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Jeanne Shaheen
United States Senator

**Shaheen, Jeanne(D-NH) Commerce, Justice and Science
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Amherst Police Department	CDS funds will be used to replace the Amherst Police Department's aging radio equipment, including portable radios, mobile radios and in-vehicle repeaters. This updated equipment will give officers reliable communication, improve coordination with neighboring towns and strengthen public safety.	Amherst NH	\$322
Town of Brookline, NH Police Department	CDS funds will be used to replace aging, soon-to-be out of warranty ballistic vests.	Brookline NH	\$13
County of Cheshire Administration	CDS funds will be used to implement a modern records management system. Through this effort, the project will significantly enhance public safety operations by enabling real-time information sharing, improving officer safety, and creating operational efficiencies across participating jurisdictions.	Cheshire County NH	\$1,572
New Hampshire Coalition Against Domestic and Sexual Violence	CDS funds will support the Coalition's Human Trafficking Specialist, who will provide case consultation and technical assistance, create trainings and experiential training tools, and produce other related materials to support first responders, victims and victim-serving professionals.	Concord NH	\$147
McAuliffe-Shepard Discovery Center Corporation	CDS funds will provide telescopes to train educators at rural schools across New Hampshire to increase student engagement in STEM curriculum.	Concord NH	\$1,000
City of Concord, Concord Police Department	CDS funds will be used to implement the Next-Generation Computer-Aided Dispatch (CAD) and Records Management System (RMS) to enhance public safety.	Concord NH	\$1,200
NH Department of Safety - Division of State Police	Funds will be used to purchase a digital forensics response vehicle, which will enhance the investigative abilities of Special Investigations Unit. This asset will be able to deploy across the state to perform digital forensics and assist other agencies who may lack similar resources.	Concord NH	\$441
New Hampshire Department of Corrections	CDS funds will be used to equip and train a dedicated critical incident response capability, including protective equipment, less-lethal tools, secure communications and the development of a formal response plan aligned with nationally accepted best practices.	Concord NH	\$750
City of Concord, Concord Police Department	Funds will be used to implement the new Concord Police station with National Integrated Ballistic Information Network testing equipment to enhance regional public safety.	Concord NH	\$300
Derry Police Department	Funds will be used to procure and equip a Regional Mobile Incident Support Unit to enhance crime scene processing, accident reconstruction scene processing, search-and-rescue efforts and active threat response incidents for Derry and the 15 municipalities in the Southern NH Special Operations Unit.	Derry NH	\$335
University of New Hampshire	CDS funds will bring new resources to the state to support the capacity of the seafood sector while providing hands-on training for students and workforce throughout the state.	Durham NH	\$990
Hampton NH Police Department	Funds will be used for body worn cameras, cruiser mounted cameras, upgraded less-lethal electronic control devices and holsters that will activate camera systems in the area once un-holstered along with tracking software and a law enforcement position to oversee this program.	Hampton NH	\$975
New England College	CDS funds will be used to establish a Center for Cybersecurity Education, which will study and advance the digital forensics field, utilizing Digital Forensics Incident Response simulations.	Henniker NH	\$1,000

Saint Anslem College	CDS funds will be used to implement an Integrated Security Management System to modernize its campus safety infrastructure. This platform will replace siloed systems, introduce smartphone-based credentialing and support phased installation of advanced security technologies including cameras.	Hillsborough County NH	\$400
Hollis Montessori School	Hollis Montessori School is seeking funding to upgrade the security measures of its facility.	Hillsborough County NH	\$66
Town of Hopkinton	CDS funds will be used to purchase nine body-worn cameras, support equipment and platforms, licensing, and training to implement a department-wide body-worn camera (BWC) program for the police department.	Hopkinton NH	\$54
Littleton Police Department	Littleton Police Department seeks funding to embed a Community Response and Engagement Unit within the Department to provide crisis intervention, resource navigation, follow-up support, and other community-based services.	Littleton NH	\$161
New Hampshire Food Bank	CDS funds will be used to purchase and process seafood from local fisherman. The seafood will be distributed among NH Food Bank's network of 400+ food pantries, soup kitchens, emergency shelters and aftercare programs.	Manchester NH	\$1,672
City of Manchester, Manchester Police Department	CDS funds will be used to expand access to mental health and crisis response training for all NH first responders and will also support International Critical Incident Stress Foundation certification for up to 300 peer support and Critical Incident Stress Management team members.	Manchester NH	\$320
City of Manchester, Manchester Police Department	Funds will be used to modernize Computer Aided Dispatch (CAD) and Records Management System (RMS) infrastructure. This upgrade will improve emergency response coordination, streamline data sharing, and enhance service delivery.	Manchester NH	\$1,500
New Hampshire Aerospace and Defense Consortium	CDS funds will be used to expand the Prime Ready system, which provides standardized assessment of supplier capabilities against prime contractor requirements to make NASA's supply chain more resilient and increase opportunities for the small and medium manufacturers.	Manchester NH	\$1,000
Meredith Police Department	CDS funds would be used to purchase and implement police body-worn and cruiser camera system as well as support associated training to ensure compliance and proper system operation.	Meredith NH	\$210
Merrimack County	CDS funds will be used to update the current land mobile radio system.	Merrimack County NH	\$1,186
Nashua Police Department	CDS funds will be used to purchase a portable digital X-ray system to safely identify and assess suspicious packages, improvised explosive devices (IED) and other hazardous threats.	Nashua NH	\$100
Sullivan County, NH	CDS funds will be used to replace and modernize the Sullivan County Department of Corrections' (SCDOC) surveillance and communications systems, including all security cameras, intercom network and electronic door controls.	Newport NH	\$1,038
Mount Washington Observatory	Funding will improve weather safety in New Hampshire and across New England by modernizing Mount Washington Observatory (MWOBS). Improvements to MWOBS's instrumentation and technology will help save lives, advance research, lead business development and inspire learning.	North Conway NH	\$490
Town of Pelham, Pelham Police Department	Funds will be used for a 3D laser scanner to support the regional crash reconstruction team investigating fatal motor vehicle collisions, serious bodily injury crashes and major crime scenes requiring detailed reconstruction, and to fund a VR-ready notebook computer for each participating agency.	Pelham NH	\$102

Plaistow Police Department	CDS Funds will be used to upgrade the Plaistow Police Department's Regional Communication infrastructure with a reliable emergency communication network.	Plaistow NH	\$2,984
Northeastern Regional Association of Coastal Ocean Observing Systems	Funds will support capacity and technical resources for estuarine habitat monitoring, community-based restoration, land conservation and regional planning efforts.	Portsmouth NH	\$770
Portsmouth Police Department	Funds will be used to establish a Smart City Real Time Crime Center which will leverage new technology to gather, centralize and disseminate information from many sources to those in the field by providing a real-time "birds eye view" with data analysis capabilities for the department.	Portsmouth NH	\$1,950
Rockingham County Sheriff's Office	CDS funds will be used to enable robust multi-jurisdictional emergency response along the New Hampshire seacoast by connecting ten strategic points to the State geo-redundant Project 25 radio system core.	Rockingham County NH	\$5,542
Seacoast Science Center	CDS funds will be used to modernize aquaria systems and exhibit infrastructure to expand coastal science education and stewardship.	Rye NH	\$1,000
Town of Salem	CDS funds will be used to upgrade its public safety radio system serving Police, Fire and Emergency Management. The project will add new police operations channels, fire tactical channels and a shared interoperability channel to improve coordination during emergencies and multi-agency incidents.	Salem NH	\$841
University of New Hampshire	CDS funds will be used to replace aging security cameras, as well as add cameras in areas that currently have no coverage and that are currently unprotected, as well as implement license plate readers.	Strafford County NH	\$779
Tilton Police Department	Funds will be used to purchase virtual reality training headsets to provide training to officers that would sharpen de-escalation skills, better prepare them for use of force situations and allow them to practice conflict resolution in a safe, controlled environment.	Tilton NH	\$124
