Homeland Security

For FY 2025, the following accounts are eligible for CDS requests:

- **Federal Emergency Management Agency Pre-Disaster Mitigation Projects; and**
- **Federal Emergency Management Agency Emergency Operations Center Grant Program**

Pre-Disaster Mitigation (PDM) Projects:

Requested projects must meet the eligibility requirements of the PDM grant program, including the non-federal cost-share requirement, benefit-cost ratio, hazard mitigation plan, and environmental and historic preservation requirements. Full requirements can be found in the fiscal year 2023 [NOFO for the "Pre-Disaster Mitigation Grant Program"](#) (the NOFO for FY24 projects is expected to be issued in the coming weeks, but requirements are unlikely to change). For any projects designated for funding in the final fiscal year 2025 Homeland Security Appropriations Act, the state agency responsible for administering mitigation grants in the requestor's state must submit an application to the Federal Emergency Management Agency, and that entity will serve as the administrative agent for the grant. Therefore, all project proposals must be accompanied by a letter of support from the appropriate state agency affirming that it believes the project is eligible.

Emergency Operations Center (EOC) Grant Program:

Requested projects must meet the eligibility requirements of the EOC grant program, including the non-federal cost-share requirement and environmental and historic preservation requirements. Full requirements can be found in the fiscal year 2023 [NOFO for the "Emergency Operations Center Grant Program"](#) (the requirements for FY24 projects are unlikely to change). For any projects designated for funding in the final fiscal year 2025 Homeland Security Appropriations Act, the state administrative agency (SAA) must submit an application to the Federal Emergency Management Agency, and that agency will serve as the administrative agent for the grant. Therefore, all project proposals must be accompanied by a letter of support from the appropriate SAA affirming that it believes the project is eligible.
