Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Lakes Region Community Developers	Lakes Region Community Developers (LRCD) is collaborating with the Save Our Gale School Committee, the Boys & Girls Club of Central NH and Lakes Region Community Services to save the historical Gale School and provide affordable space for local non-profits.	Belknap County NH	\$391
County of Cheshire	This request is to renovate an old barn in Westmoreland, located on county property, and convert it into an educational facility focused on agriculture and conservation for residents of Cheshire County. Funds would be used for site preparation work (parking, septic, water and fire prevention) and for the actual renovation, which would include a new roof, siding, floors, doors, electrical, plumbing, structural and other interior work.	Cheshire County NH	\$112
Town of Dorchester	This funding will be used for the construction of a sand/salt mix storage shed in Dorchester, NH.	Dorchester NH	\$162
Town of Littleton	Funds will be leveraged with public and private dollars to complete construction at Littleton Riverfront Commons. Elements of the park will include open greenspace, walking paths and trail connections, addition of lighting for safety, renovation of a Welcome Center and parking improvements which will support not only the Commons, but local businesses as well.	Littleton NH	\$300
Town of Newport	This funding will be used for the construction of a new community center in Newport, NH. The new center is designed with meeting rooms for use by community groups, a large gymnasium and to serve as a meeting room for Town meetings as well as a shelter/warming and cooling station in emergency events.	Newport NH	\$4,785
Town of Newport	This funding will be used to rehabilitate the Town of Newport's Municipal Parking Lot. The upper and lower parking lots have insufficient drainage which, combined with general wear and tear, has led to dangerous deteriorating pavement, resulting in several trip and fall incidents resulting in injury. Funds for this project will address storm water management and provide new pavement for the parking lot.	Newport NH	\$303
University of New Hampshire	This funding would allow the NH Veterinary Diagnostic Laboratory to expand capacity, become fully accredited, and join the National Animal Health Lab Network (NAHLN).	Statewide NH	\$1,261
University of New Hampshire	This funding will establish a coordinated communications infrastructure amongst agricultural agencies, organizations and service providers in New Hampshire.	Statewide NH	\$85
Town of Swanzey	The proposed project would provide an addition to the Swanzey Public Works garage, which would create additional garage space and improved employee spaces. In addition to these improvements, the town of Swanzey will add energy efficient lighting to the garage and will take other efficiency measures that are recommended.	Swanzey NH	\$245
