IN THE SENATE OF THE UNITED STATES

Mr. JOHNSON submitted the following resolution; which was referred to the
Committee on _____

RESOLUTION

Urging all parties in Georgia to seek prompt implementation of the agreement signed on April 19, 2021, and reaffirming the support of the Senate for Georgia, the territorial integrity of Georgia, and the aspiration of Georgia to join the Euro-Atlantic community.

Whereas, on April 9, 1991, Georgia declared independence from the Soviet Union, and on March 24, 1992, the United States and Georgia established formal diplomatic relations;

Whereas, since 1993, the territorial integrity of Georgia has been reaffirmed by the international community and numerous United Nations Security Council resolutions;

Whereas, at the 2008 Summit in Bucharest, the North Atlantic Treaty Organization (NATO) recognized the aspiration of Georgia to join NATO and agreed that Georgia would become a member of the Alliance;

Whereas, on January 9, 2009, the United States and Georgia signed the United States-Georgia Charter on Strategic Partnership, affirming the close relationship between the United States and Georgia based on the shared principles of democracy, free markets, defense and security cooperation, and cultural exchanges;

Whereas Georgia has made significant contributions to the wars in Iraq and Afghanistan and remains the largest troop contributor among NATO partners to the NATO-led Resolute Support Mission in Afghanistan;

Whereas the United States supports the sovereignty and territorial integrity of Georgia within its internationally recognized borders and condemns the continued occupation by the Russian Federation of the Georgian regions of South Ossetia and Abkhazia;

Whereas, in March 2020, the United States and several embassies of European countries in Georgia brokered an agreement among the major political parties in Georgia, which included changes to the electoral system and called on all sides to address the appearance of political interference in the judicial system;

Whereas, on June 29, 2020, the Parliament of Georgia adopted constitutional amendments, establishing a more proportional electoral system and promoting greater political pluralism in future parliaments;

Whereas the United States Embassy in Tbilisi applauded Georgia's electoral reforms and urged the Parliament of

Georgia to pass additional legislation that fully incorporates all of the recommendations of the Office for Democratic Institutions and Human Rights of the Organization for Security and Co-operation in Europe (OSCE/ODIHR) and urged Georgian authorities to effectively implement such legislation;

Whereas, on October 31, 2020, Georgia held its first parliamentary elections since adopting the electoral reforms in June 2020;

Whereas the OSCE/ODIHR limited election observation team concluded that the first round of the October 2020 parliamentary elections in Georgia was “competitive and, overall, fundamental freedoms were respected” but also detailed a number of flaws and partially or completely unimplemented OSCE/ODIHR recommendations;

Whereas the United States Embassy in Tbilisi shared the OSCE/ODIHR’s assessment of the first round of elections and stressed the importance of fully addressing the deficiencies noted by the OSCE/ODIHR Limited Election Observation Mission Preliminary Report before the second round of elections in November 2020;

Whereas the Georgian opposition refused to recognize the legitimacy of the October 2020 elections, boycotted the second round of elections, called for public voter intimidation of anyone voting in the second round of elections, and declined to take their seats in parliament;

Whereas, on February 23, 2021, Georgian authorities entered the headquarters of United National Movement (UNM) and arrested its leader Nika Melia on a bail violation;

Whereas, on March 23, 2021, the Subcommittee on Europe and Regional Security Cooperation of the Committee on

Foreign Relations of the Senate held a hearing on Georgia to examine the political situation and to highlight the actions that the Government of Georgia and the opposition could take in order to resolve the impasse and move the country forward;

Whereas, in that hearing, Deputy Assistant Secretary of State George Kent testified that the Russian Federation uses its illegal occupation of Abkhazia and South Ossetia, “economic leverage, cyber attacks, and disinformation to try to force Georgia to abandon its Euro-Atlantic aspirations and to sow division and distrust”; and

Whereas international mediation efforts to resolve the political impasse in Georgia led to an agreement signed on April 19, 2021, by many parties and individual Members of Parliament: Now, therefore, be it
